

KTM 450 SMR - 2022

€9.434 + TVA

The KTM 450 SMR is a pure expression of the READY TO RACE motto coming straight from the dealer floor with a premium setting of performance that will cause throttle hands to tremble. For 2022, it is heavily based on the championship winning KTM 450 SX-F that is the industry benchmark. The KTM 450 SMR features an extremely compact, single overhead camshaft engine that produces its power in the most effective way possible. The bike is fitted with premium components all-over, making it the most complete and most competitive model in the Supermoto racing segment. In brief, the KTM 450 SMR is the ultimate Supermoto racer!
